WITH GUESTS AT the heart and soul of Louis Benton Steakhouse, it's not surprising that each dish served is always prepared to perfection. Since the restaurant opened more than five years ago, Executive Chef Joseph Rivera has tantalized the city with many of his delectable creations. His famed Ahi Tuna Tartar, Pretzel Crusted Crab Cakes and Thai Rock Shrimp are just sample beginnings sure to set the stage for a superior dining experience.

Voted Best Steaks by Grand Rapids Magazine readers in 2006, Louis Benton continues to deliver on its title. The award-winning menu offers many American classics including Midwestern grain-fed Filet Mignon and all-natural New York Strip Steak. Shellfish and seafood are always hand picked daily and represent only the best of the ocean's splendor. Signature plates include Herb Roasted Prime Rib, Prosciutto Wrapped Pork Tenderloin, Wasabi Glazed Salmon, and many Surf-n-Turf combinations. The restaurant is perhaps best loved, however, for its steaks seasoned with Louis Benton's signature spice.
