IN ADA, the family-friendly Thornapple Daily Grill has earned a solid reputation for outstanding food and superior service in comfortable surroundings. Open daily, this Gilmore Collection restaurant is inviting with its rich, soft leather and relaxing, neighborly atmosphere. The simple, understated elegance extends to the spacious deck that provides views to the river. The lush lawn is ideal for a wedding or other special event. And the food is out of this world.

Thornapple Daily Grill's talented culinary team prepares a seasonal menu as fresh and inventive as it is diverse. Daily specials take advantage of the best the local market has to offer, emphasizing healthful lean meats and garden-to-table ingredients — all beautifully presented at prices that will pleasantly surprise. The menu includes a nice selection of steaks such as the signature flat-iron or tender filet. Fresh seafood selections include the ever-popular potato-crusting walleye, while chicken or pasta lovers swoon over these creative dishes. From 10 a.m.-2 p.m. Sundays, indulge in "Sunday Toast" — an eclectic culinary take on brunch that welcomes guests with a nib of the famous "stacked" French toast and a sampling of fresh juice

fizz. The inventive food offerings will impress, while guests enjoy assembling their own drinks from the tableside Bloody Mary bar.

Thornapple Daily Grill's lounge is so intimate that visitors will feel like everybody really does know their name. The extensive beverage menu lists more than 40 wines available by the glass and includes microbrew-quality bottled beers, martinis and specialty cocktails, top-shelf liquors and creative non-alcoholic selections. The Happy Hour bar-priced menu makes it the perfect after-work gathering place. Come rediscover all that Thornapple Daily Grill has to offer.

The chefs at The Thornapple place a premium on locally procured organic and healthy products.
